

# Falconry (\$50.00)

**A Two-Class Lecture-Lab** on the anatomy and species differences of various Raptors (Owls, Eagles, Pigeons, Falcons). Learn the history of Falconry as an Art and Sport with the linguistic phrases derived from the Art of Falconry. Finally, see first hand the basics of a trained Harris Hawk and Carrier Pigeon.

---

# Horsemanship (\$700.00)

Learn the fundamentals of Classical Horsemanship from the ground up. Everything you need to know from grooming and general care, to the proper placement of a saddle, correct fitting a bit and bridle. The course also instructs the rider at the walk and trot.

---

# Swordsmanship (\$50.00)

Within the setting of students of various skills, this ongoing class introduces the fundamentals of fencing with the French and Italian Foils, footwork, and basic strategy for fencing, culminating with an end of the semester Fencing Tournament with the Gold'n Bald Fencing Club.
