

# G. K. Chesterton's Orthodoxy

---

Orthodoxy is the companion to Chesterton's Heretics both written prior to his conversion from Anglicanism to Catholicism. In his own words, the book is "an explanation, not of whether the Christian faith can be believed, but of how he personally has come to believe it".

# G. K. Chesterton's Heretics

---

A collection of 20 brilliant essays on the topic of heresy composed by the wit filled pen of Mr. G.K. Chesterton.

Heresy, Chesterton jests "...is always a half-truth turned into a whole falsehood."

In the modern world, he observes, "The business of Progressives is to go on making mistakes, while the business of Conservatives is to prevent mistakes from being corrected."

# Fyodor Dostoevsky's Brothers Karamazov

---

**Highly acclaimed** as one of the supreme literary achievements in human history!

*"The Brothers Karamazov"*, is a passionate spiritual drama set in the context of 19th century Orthodox Russia faced with the dilemma of modernization. Dostoevsky presents an entire panoply of human emotion – despair, intrigue, doubt, joy, sensuality, guilt and elation all in some way related to existential acquiescence, or to the moral, psychological and spiritual imbroglios, intrigues, and

illuminations that are integral to the human quest for meaning.
