**Theopolitical Insight Necessary to UNDERSTAND THE NEWS**

**American Foundations ~~(\$21.99)~~ 14.00**

These Intelligence reports are highly documented and based on primary documents and historical facts.

Dr. Marzak is not basing his research conclusions on specious attempts to articulate the “intent’ of the Framers No one can be sure of their intent but God and themselves. This research is therefore based on analysis of the facts – what in fact they wrote, what in fact they said and did. This hard evidence is reliable. It is on this evidence that it is demonstrated that the American Constitution was engineered by a small group of men who were intent on establishing a “*New Order of the Ages*” in direct opposition to the Order established by Christ and in direct contradiction of the Divine Law as revealed in both the Old Testament New Testaments.

# Site Resource Access

**Lorem Ipsum** is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
