

Vladimir Soloviev: Russia and Universal Church

AN UNEXPECTED THEOPOLITICAL GEM FROM RUSSIA

Pope John Paul II referred to Vladimir Soloviev (1853-1900) as “one of the modern world’s great “witnesses of the faith and illustrious Christian thinkers”. Writing before The Virgin Mary’s prophecy of the conversion of Russia, Soloviev foresaw that Russia was destined to play a great religious role in the modern world: “It is the historic destiny of Russia to provide the Universal Church with the political power which it requires for the salvation and regeneration of Europe and of the world.”

William H. Prescott

Prescott’s “*Conquest of Mexico*” offers a balanced and well researched history of the Spanish settlement of Mesoamerica. A highly welcomed account among a field dominated by political correctness. Learn what really

happened, what the Conquistadors actually confronted and of the super-human efforts it took to free a continent steeped in the darkness of idolatry, oppression and tyranny.
