Saint Thomas Aquinas

In his own words, St. Thomas wrote *De Regno* to “carefully expound (according to the authority of Holy Writ and the teachings of the philosophers as well as the practice of worthy princes) both the origin of kingly government and the things which pertain to the office of a king.” Like any great saint or man inspired by God, Thomas relied “for the beginning, progress and accomplishment of this work, on the help of Him, Who is King of Kings, Lord of Lords, through Whom kings rule, God the Mighty Lord, King great above all gods.”

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
