# The World's Greatest Secret

---

The “World’s Greatest Secret” is a book you should acquire and cherish, a book that will lead you into deeper union with the Holy Trinity written by a man who dedicated His life to service of the Trinity by means of filial and true devotion to the Mother of God. She appeared at Fatima to three small children to entrust a Message of Peace and an urgent appeal for the world to turn to God and to love Him in the most Blessed Sacrament, which He entrusted to His Church as the testament of His great promise [to remain with Her forever even until the end of time \(Matt 28:20\)](#).

It is by means of the Eucharist that men and women, young and old, feeble and strong are brought into deepest Holy Communion with the Holy Trinity through Jesus, with Jesus, and in Jesus as the Body of Jesus made possible by worthy reception of the Holy Eucharist, the [LIVING WORD OF GOD \(John 1:1\)](#).

According to Dr. Tom Petrisko, this is simply “The greatest book on the Eucharist”

# Vladimir Soloviev Tale of Antichrist

AN ESCHATOLOGICAL CLASSIC FOR ALL CHRISTIANS

**Written by Vladimir Soloviev** (1853-1900), whom St. John Paul II referred to as “one of the modern world’s great “witnesses of the faith and illustrious Christian thinkers.”

In this Book, the Evangelical Protestants led by “Professor Pauli”, the Orthodox led by the “Elder John of Russia” and the Roman Catholics led by “Pope Peter II” witness the “Great Sign”, the “Woman Clothed with the Sun”, which brings them together in the wilderness, an event that precedes the coming of Christ in glory as the three leaders make their way to greet Him as He comes forth from Zion.
